

As of 4/01/2008 TheSealcoater.com has seal coated over 2000 driveways on Cape Ann. That is more than all the other companies who seal coat in the area combined. As a matter of fact where as TheSealcoater.com has been in business since 1981 and are in our 28th year most of our competition usually only stay in business 3-5 years. This is something to keep in mind when choosing a business to do all your pavement maintenance work.
